

2D INFANTRY DIVISION

FRG NEWSLETTER

March Issue

16 March 2007

LETTER FROM THE EDITOR

Hello, from the Division HQ and Freeman Hall.

I hope everyone is happy and healthy. The Division is preparing for our upcoming major exercise which will task most of the Division in support of Reception, Staging, Onward Movement and Integration (RSOI). We just conducted our 2ID FRG Update and Social at Camp Red Cloud. It was a forum to brief all of you on the Steering Committee meeting on 30 January, to report progress on addressing issues that affect you, our families, and also to get an azimuth check to ensure we are meeting the Commander's intent on the FRG Program. The CG then briefed the Yongsan FRG so that all of you are also aware of our progress and also to raise any other issues you feel need attention. Of course, all of you already know just how busy we are; we also know how busy you are, and we appreciate your support and consideration.

This seventh issue of the FRG Newsletter continues the procedure of sending the newsletter without attachments, which are posted on the 2ID website. Among these items is a list of Tax Preparation Assistance Centers in Areas I, II, and III, and activity calendars and lists for the areas where you live. To view the files click on this link (<http://www-2id.korea.army.mil/family/events/>). I request that you forward the links for this information to the members of your unit FRG, both here and CONUS. There is a list of FRG events from the Warrior Activities Calendar below. To help you plan and hopefully attend them, we included the dates for our Battalion and Brigade changes of command. If you have other events or information you'd like included, please forward them to your Battalion FRG Leader who will forward them to our Division FRG Liaison.

Thanks for your time and assistance!

IMPORTANT COMMAND INFORMATION!

NEW! NEW POLICY LETTER #7: On 9 MAR 2007, General Order Off-Installation Curfew and 2ID Leave and Policy was updated and put in effect. Soldiers must be in their place of assignment or residence, in a private residence, or in their place of lodging for the evening during curfew hours. If they are not in their place of assignment or residence then they must be in a valid, properly approved leave or pass status during curfew hours. The curfew policy is punitive, and based on the discretion of the chain of command, they are subject to punishment under UCMJ if they violate this policy. The policy letter is on the 2ID public website at <http://www-2id.korea.army.mil>.

NEW! RATION CONTROL COMMISSARY DOLLAR LIMITS INCREASE 1 MARCH 2007:

Effective 1 March 2007, ration control commissary monthly dollar limits increased approximately 25% for all family sizes. This is good news for our Service members and their families. This increase reflects the 23% rise in inflation, as measured by the Consumer Price Index, since rates were last raised in 2000. The new rates are reflected in the table below. Your rate is determined by family size as tracked by the Defense Biometric Identification System (DBIDS). So to ensure you are being measured against the correct purchase limit, make sure all your dependents, even infants, are registered in DBIDS.

Family Size	Previous Dollar Limit	New Dollar Limit
1	\$450	\$550
2	\$700	\$850
3	\$900	\$1,100
4	\$1,050	\$1,300
5	\$1,250	\$1,500
6+	\$1,450	\$1,800

You can check both your number of dependents registered and your current monthly purchase total by using the following link, either from your work or home computer. Choose "My Ration Check", and then enter your SSAN, last name, and date of birth: <https://pimsk.korea.army.mil/>. As a reminder, all newly arriving Spouses in Korea are required to complete Spouse Orientation Seminars prior to receiving their permanent Ration Control Plate. See below for additional information on Spouse Orientations.

AAFES LOWERS TAXI CHARGES: Army and Air Force Exchange Service officials lowered taxi fares and changed how customers are charged to its Areas I and II taxi fares effective yesterday. The new fare scheme is based on Korean won, rather than U.S. dollars; while customers can still pay in dollars, the meter will read in Won. Initially, AAFES taxis will charge 2,000 Korean won for the initial fare, This is roughly equivalent to off-post taxis. There is also an additional 1000 Won charge for call taxi service, and a night time differential charge of 20 percent for all fares 12-4 a.m.

FLO NOTES: The Family Liaison Office newsletter, FLO Notes, provides information useful to military families. It is published monthly by the Well Being Liaison Office in the Army G1. HEALTH AND SAFETY INFORMATION

NEW! YELLOW SAND SEASON RETURNS: Yellow Sand is inhalable particles smaller than 10 micrometers (PM10) in diameter that originate from dry, desert regions of China, Mongolia. Yellow Sand events usually occur during the spring (March, April and May). Since 1999, however, Yellow Sand events have also occurred during winter months. In sufficient concentration, the fine particles can obscure visibility, irritate soft tissues in the eyes, nose, mouth, and throat, and cause or exacerbate respiratory and cardiovascular problems. To avoid health risks take the following actions. During the dust storm:

- Avoid outdoor activities, especially in the elderly, young children, and persons with asthma or other airway diseases
- Keep windows and doors closed
- Remove contact lenses and wear glasses
- Brush your teeth and wash your hands, face and eyes with warm water upon returning indoors
- Drink plenty of water to keep your tears flowing well

- Use air filter to keep air clear, and humidifier to increase indoor humidity level
- Wash dust exposed fruits and vegetables before consumption
- Wash hands carefully before handling and preparing food

After the dust storm has cleared:

- Air out room/house
- Wash dust exposed objects before using them – do this carefully to keep from stirring up the dust

Check the current dust concentration in your location at 18th MEDCOM website:

<http://www.seoul.amedd.army.mil>.

An information paper on children and yellow sand is available on the 2ID website: <http://www-2id.korea.army.mil/family/>

UNIFORMED SERVICES FAMILY HEALTH PLAN:

The Uniformed Services Family Health Plan (USFHP) is a TRICARE Prime option available to active duty dependents, retirees and retiree family members through not-for-profit health care systems in six areas of the United States. If you use the USFHP, you must get all care through the USFHP network in your area. By using USFHP you get the TRICARE Prime program benefits, plus premium advantages and features at no extra cost. For more information about eligibility, visit the USFHP Website at:

<http://www.tricare.osd.mil/faqs/Default.aspx>, or the TRICARE Website at

<http://www.tricare.osd.mil/faqs/Default.aspx>. You may enroll in the USFHP at any time during the year by completing an application for the provider in your area. For more information, and to download an application, visit: <http://www.usfamilyhealthplan.org>.

TRICARE ALLOWABLE CHARGES AVAILABLE ONLINE:

The new website at: <http://www.tricare.osd.mil/allowablecharges> shows the most frequently used procedures and the amount TRICARE is legally allowed to pay for them. These charges are tied to allowable charges for the Medicare program, thus making them an allowable federal standard for health care costs. It used to be that a TRICARE claims processor told the provider the allowable charge amount for services and procedures. Now anyone can see what TRICARE will pay for over 300 procedures and services.

AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.
